Professional Summary

Frontend Developer with three years of experience building responsive, accessible, and high-performance web interfaces. Skilled in React, JavaScript, TypeScript, and modern frontend workflows. Adept at translating designs into clean, maintainable code and collaborating with designers, backend engineers, and product teams to deliver user-focused digital solutions.

Technical Skills

Languages: HTML5, CSS3, JavaScript (ES6+), TypeScript

Frameworks: React, Next.js, Redux Toolkit

Styling: Tailwind CSS, Sass, Styled Components

Tools: Git, GitHub, VS Code, Figma

Testing: Jest, React Testing Library

Build & Deployment: Vercel, Netlify, Webpack, Vite

Work Experience

Dibatech — Frontend Developer

April 2024 – Present | Lagos, Nigeria

Develop and maintain responsive UI components, ensuring consistency across pages. Optimize performance, implement accessibility improvements, and collaborate with backend teams to integrate APIs efficiently. Refactor legacy components for reusability and maintain clean, scalable code.

CodeBase Systems — Frontend Developer

March 2022 – March 2024 | Lagos, Nigeria

Built dashboards and client-facing interfaces using React and Tailwind CSS. Converted design mockups into modular components, implemented state management with Redux Toolkit, and participated in Agile sprints and code reviews.

CloudNet Labs — Frontend Intern

June 2021 – February 2022 | Remote

Assisted in UI development, debugging, and layout improvements. Learned component structuring, responsive design, and collaborative version control practices.

Projects

E-Commerce Web Application

Developed product listing pages, cart functionality, and responsive layouts. Focused on accessibility and performance optimization.

Task Management Dashboard

Built dashboard with dynamic task filtering, progress indicators, and reusable React components.

Portfolio Website

Created a Next.js portfolio showcasing projects with interactive UI elements and optimized load times.

Education

B.Sc. Computer Science
University of Lagos, Nigeria

Certifications
