Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Next.js, Tailwind CSS

Version Control: Git, GitHub

Development Practices: Responsive Design, Cross-Browser Compatibility, API Integration, Debugging

Workflow: Agile Methodology, Scrum, Collaboration, Code Review

Other Tools: VS Code, Figma, Chrome DevTools, npm, Postman

Soft Skills: Creativity, Team Collaboration, Problem Solving, Attention to Detail, Communication

WORK EXPERIENCE

Dibatech — Frontend Developer Intern

June 2023 – Present

- Collaborated with design and development teams to translate UI/UX wireframes into functional, responsive web pages.
- Implemented reusable components using React and Tailwind CSS, improving development efficiency.
- Assisted in debugging and optimizing performance to ensure smooth user experiences.
- Worked with APIs to render dynamic content, ensuring data accuracy and interactivity.
- Contributed to sprint reviews and planning sessions, ensuring timely delivery of high-quality code.

Freelance / Personal Projects — Frontend Developer

January 2023 – June 2023

- Developed responsive and accessible web applications focusing on intuitive design and user experience.
- Utilized React.js and Next.js for dynamic rendering and improved SEO optimization.
- Designed and styled interfaces using Tailwind CSS for consistency and visual appeal.
- Collaborated with clients to gather requirements and deliver solutions aligned with their goals.
- Maintained clean, well-documented code following industry best practices.

PROJECTS

- 1. Personal Portfolio Website:** Created a professional portfolio with Next.js and Tailwind CSS showcasing skills, projects, and contact information.
- 2. Weather Dashboard:** Built a React app integrating an external weather API to display current forecasts and location-based conditions.
- 3. Blogging Platform UI:** Designed a modern blogging interface using React and Context API for state management, with responsive layouts and smooth navigation.

EDUCATION / CERTIFICATIONS

- B.Sc. in Computer Science — University of Abuja, Nigeria
- Frontend Development Certificate — freeCodeCamp
- Certified Scrum Product Owner (CSPO)
- SAFe 6.0 Scrum Master (SSM)
